QR CODE

360 Autotek Limited, was established in 2008 and specializes in manufacturing the best LED lights for automotive, agriculture, tractors. The factory covers an area of 8000 square meters and is located in Baiyun District, Guangzhou City. There are over 500 workers in the factory. There are currently 20 production lines. Produce up to 1,000,000 pieces of lightings monthly. Our factory has passed ISO9001 and BSCI certifications.

All performance indicators of the product meet the national standards and sell well all over the world. We take products as the carrier, customer experience as the purpose, and the team as the foundation. Enable consumers to find satisfactory service providers and high-quality experiences in the auto parts industry. 360 Autotek Limited adheres to the business philosophy of "honest operation, truth-seeking, high efficiency and high quality". Strive to build a leading enterprise in the industry and provide customers with the most satisfactory products and the best services.

COMPANY CULTURE

Core Values

Self-motivation, tenacity, responsibility, unity, excellence, innovation.

Enterprise Vision

To become a leading enterprise in the global automotive aftermarket's automotive installation culture.

Enterprise Spirit

- ◇ Dare to think, dare to act and dare to create.
- ◇ Pull together in the same boat.
- ◇ Stand at the forefront of the tide.

COMPANY CULTURE

2008

Company was established.

2010

Passed ISO 9001、BSCI certification, laying the foundation for quality

2016

Built Our Brand HLXG passed SGS/TÜV certification, and entered the OEM market

2018

The production capacity exceeded 100,0000 sets monthly and was recognized as a "National High-tech Enterprise"

2019

Completed a fully automated product line ,increasing production efficiency by 80%

2024

Construction of zero-carbon factories and recycled materials application plan

PRODUCT CATALOG

Hot Sale

The customer market
feedback is good, and
the repurchase rate
ranks **No.1.**
